We thank YOU.

The pandemic has caused many to wrestle with fear, uncertainty, and loneliness through isolation.

For 126 years, Hope has been shining the light and love of Christ into the lives of those battling through dark days. Your support enables us to replace uncertainty with **FAITH**, desperation with **DETERMINATION**, loneliness with a sense of **BELONGING**.

No one has to be alone and on the streets this Thanksgiving.

The doors of Hope are wide open to all, and we thank YOU for making that possible! We give thanks for you being part of the Hope Family!
